

I would like to submit my strong objection to the Broadband over Powerline technology. It is highly subject to interference from any type of radio frequency transmissions based on tests done by Ed Hare of the ARRL. Please view [http://216.167.96.120/BPL\\_Trial-web.mpg](http://216.167.96.120/BPL_Trial-web.mpg) and [http://216.167.96.120/BPL\\_Trial-small.mpg](http://216.167.96.120/BPL_Trial-small.mpg)

Thanks

Bill Fisher
